ABOUT THE 2 DAY CONGRESS

After a range of successful past events attended by hundreds of EAs and PAs, *Learning Network Solutions* is proud to present this new 2 day separately bookable EA/PA Congress. The key objective of this event is to address proven tools and techniques for enhancing the current skills of EAs and PAs that assist in their career progression path. Backed up an experienced and a proven speaking panel, the congress aims at addressing various strategies, tools and techniques to further enhance the current skills of EAs and PAs.

Day 1 of the summit will address all the key attributes and skills required for career progression. Day 2 of the Congress will detail in a practical manner the key requirements, considerations and strategies for EAs and PAs to make a career progression in project management. We are arguably the pioneers of the Project Management Courses for EAs and PAs and the course since its inception has being considerably improved based of the feedback of the attendees. For those of you who have attended our Project Management course, please note this is a new format with additional improvements.

Backed by an excellent speaking panel, this summit will offer strategies that are both practical and relevant for the modern EA/PA for enhancing their current skills and provide them with solutions that they can use in their workplaces to achieve successful results and advance their careers by taking on more challenging roles and responsibilities.
